

Snapshot of the week!

What we've been up to!

We have had a great first week back and are so happy to see a lot of you again. We have loved playing with Duplo and building with bricks. We have been painting rainbows and colouring patterns to say thank you to all the key workers who have been working so hard. We have been investing in some new furniture for the setting! We have been continuing to develop our natural theme and apply more of the Reggio Emilia approach.

Things to remember!

- **Sun cream** should be applied before arriving at the setting.
- **Bags** should be kept at home.
- Check out our policy for more details.
- **Indoor shoes** should be provided and changed upon arrival at the hand washing station.
- **Water bottles** should stay at home.

Important dates and events!

- Father Day 21st June
- School Leavers parent's evening- July

Messages from Amber/Kat

We are trying to make the transition back to nursery as easy as possible for all the children. Please be aware it may take some time to get back to normal. Although we are back to regular hours please remember we will still be sending children home with temperatures of 37.8 or higher or with any other symptoms of COVID-19. We will be continuing to promote good handwashing skills and keeping up with higher standards of cleaning. We ask everyone to be vigilant when looking for signs and symptoms. We are now asking parents to leave bags at home only provide a change of clothes and sun cream that can be kept in the child's basket.

In other news...

Keep checking out our Facebook pages and Instagram for updates and information!

We ask all parents/carers to apply sun cream **before** nursery and supply appropriate clothing including **hats** for the hot weather.

We ask all parents and carers to wash **their own** child/children's hand at the hand washing facilities provided by the entrance.

Look out for photos and videos explaining how we are operating at Little Explorers on our private Facebook page and emails!
